CANINE DRUG SEARCH - School District Policy JIH
"Student Interrogations and Searches"

Locker/Desk/Storage Area Searches

All lockers, desks, and other storage areas provided for student use on school premises remain the property of the District and are provided for the use of the students subject to inspection, access for maintenance, and searches, including "canine sniff searches," with or without reasonable suspicion, pursuant to this policy. Backpacks may be searched. Therefore, no student has a reasonable expectation of privacy of or in the lockers, desks, and other storage areas made available to the students. No student shall lock or otherwise impede access to any locker, desk, or storage area except with a lock provided by or approved by the principal of the school in which the locker, desk or storage area is located. Unapproved locks shall be removed and destroyed.

Motor Vehicle Searches

Students, by virtue of having the privilege of parking a motor vehicle on school property, are deemed to have given prior consent for search of a motor vehicle that has been brought by the student onto the school premises. The principal, or member of the administrative staff, may authorize a search of a motor vehicle on school premises, if there is reasonable suspicion that the search will result in the discovery of contraband. The principal, or designee, may utilize canines to sniff student motor vehicles on school premises, with or without reasonable suspicion that the search will result in the discovery of prohibited items. A positive alert by a canine shall be deemed reasonable suspicion to search the motor vehicle in question.

STUDENT LOCKERS

Student lockers are the property of the school district. Students may use these lockers as a convenience. Lockers do not belong to the students. Arapahoe High School retains a record of all locker combinations as well as keys to all of the lockers. Lockers may be periodically inspected for cleanliness or storage of illegal items; i.e., drugs, alcohol, weapons, or stolen property. Illegal material found in a locker is presumed to belong to the students assigned to that locker. A student is also held responsible if he/she was aware of illegal material stored in a locker and did not report it. In either case students are subject to disciplinary action. Students are encouraged, in the interest of neatness and concern for locker partners, to keep lockers clean. Students should not leave money or valuable items in school lockers. If a locker or lock is defective, students must notify a Campus Supervisor or the Main Office Receptionist immediately. Kicking lockers to open the locker is prohibited and may cause damage to the locker. Many students lose valuable books or other items by storing them in defective lockers. Students may be required to pay for school items lost from assigned lockers.

IMPORTANT INFORMATION – Off Campus Behavior

One of the most far reaching parts of "Safe Schools" legislation is the provision allowing school administrators to impose discipline on students for disruptive acts OFF school grounds and/or after school hours. Under the proper circumstances school officials can suspend or expel students for misbehavior even if they are miles from school and it is on a weekend. Off Campus is a privilege not a right and can be revoked for student behaviors, truancy and academic failure.

SEXUAL HARASSMENT

Sexual harassment is a behavior of a sexual nature that makes a person feel uncomfortable or unsafe. Sexual harassment comes in many forms. What may be harassment in one situation may not be in another. In general, sexual harassment is repeated or severe words/behaviors that:

- give unwanted sexual attention
- are degrading to people of one sex or the other

The effect on individual school performance can include:

- | | |
|----------------------------|---------------------------------------|
| • absenteeism | • inappropriate behavior |
| • damaged reputation | • loss of friends |
| • delayed graduation | • loss of trust in educational system |
| • drop in quality of work | • lower grades |
| • dropping a class | • switching classes |
| • dropping out of school | • switching schools |
| • feelings of distraction | • tardiness |
| • inability to concentrate | • truancy |

Students, please report any cases of sexual harassment to teachers, counselors or administrators so that the harassing action may be appropriately stopped. Do your part to make Arapahoe High School a comfortable place for everyone!
